### Board Member Qualifications

#### Article 5, Section 1-c

All members of the Church Board, and other officers of the church, shall be mature persons full of the Holy Spirit, whose faithfulness shall have been in evidence and whose lives and conduct shall conform to the following Scriptures:

Acts 6:3 - "Now look around yourselves, friends, and select seven men who are well respected and are full of the Holy Spirit and wisdom. We will put them in charge of this business."

I Timothy 3:8-12 - "In the same way, deacons must be people who are respected and have integrity. They must not be heavy drinkers and must not be greedy for money. They must be committed to the revealed truths of the Christian faith and must live with a clear conscience. Before they are appointed as deacons, they should be given other responsibilities in the church as a test of their character and ability. If they do well, then they may serve as deacons. In the same way, their wives must be respected and must not speak evil of others. They must exercise self-control and be faithful in everything they do."
