Today's Missions Focus:

As a faith-based, nonprofit organization Convoy of Hope has helped more than 70 million people throughout the world by sharing food, water, emergency supplies, agricultural know-how, and opportunities that empower people to live independent lives, free from poverty, disease and hunger.

Engaging

Each year — in dozens of communities throughout the nation — guests of honor receive free groceries, health and dental screenings, haircuts, family portraits, hot meals, job-placement assistance and much more at our signature events.

Caring

We partner, resource and empower rural churches through training, mentoring and coaching so they can enhance their presence in their communities. The strategy works best when church leaders partner with community leaders and stakeholders.

Nourishing

Nearly 150,000 children in 10 nations are being fed nutritious meals by us. The food opens doors for education, clean water, a sense of hope and much more. Currently, we are feeding children in the Philippines, El Salvador, Nicaragua, Honduras, Haiti, Kenya, Ethiopia, Guatemala, South Africa and Tanzania.

Growing

Impoverished farmers and families are equipped with the skills, tools and seeds to produce life-sustaining crops through the agricultural work we conduct throughout the world. Each year, tens of thousands of meals are harvested for our children's feeding work and income is generated for farmers.

Responding

Consistently among the first to respond to disasters throughout the world. We are highly regarded for our scalable distribution model, Disaster Response teams, six international warehouses and Mobile Command Center.

Partnering

We empower like-minded organizations, who are doing good work among the poor and suffering in their communities. This is accomplished by providing such friends with food, water, supplies and much more.

Article 5, Section 1-c

All members of the Church Board, and other officers of the church, shall be mature persons full of the Holy Spirit, whose faithfulness shall have been in evidence and whose lives and conduct shall conform to the following Scriptures:

Acts 6:3 - "Now look around yourselves, friends, and select seven men who are well respected and are full of the Holy Spirit and wisdom. We will put them in charge of this business."

I Timothy 3:8-12 - "In the same way, deacons must be people who are respected and have integrity. They must not be heavy drinkers and must not be greedy for money. They must be committed to the revealed truths of the Christian faith and must live with a clear conscience. Before they are appointed as deacons, they should be given other responsibilities in the church as a test of their character and ability. If they do well, then they may serve as deacons. In the same way, their wives must be respected and must not speak evil of others. They must exercise self-control and be faithful in everything they do."
